

YOUR VOICE FOR LAKE COUNTY TRANSPORTATION ISSUES

Peter Manhard

President

Peter Manhard is an owner and Executive Vice President of Manhard Consulting, Ltd. headquartered in Lincolnshire, Illinois.

The company was founded by his father, Donald Manhard, Sr., in 1972. Today, after nearly five decades, they have over 275 employees, in ten offices across the United States and with over 10,000 clients.

Manhard Consulting serves both Public and Private clients including municipal, county, and state departments; residential, commercial, and industrial developers; architects, logistic centers, and general contractors with offices in Illinois, Wisconsin, Colorado, Nevada, and Texas. They lead the industry as one of the most responsive, innovative, and technologically advanced civil engineering and surveying firms in the country.

Pete is a Registered Professional Engineer in the State of Illinois and graduated from the University of Illinois with a Bachelor of Science/Civil Engineering degree. He has lived and worked nearly his entire life in Lake County, Illinois. In addition to serving as President of LCTA, Pete is also on the Board of Directors of the Great Lakes Construction Association, and a member of the Lake County Municipal League, Lake County Partners, Lake County Stormwater Technical Advisory Committee, Salvation Army Property Committee, and Vistage.

In his spare time Pete is a licensed Private Pilot and enjoys playing volleyball, tennis and supporting local charities.
